**enodare : Make Your Own Last Will and Testament (Estate Planning)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Your Own Last Will and Testament (Estate Planning):

0 of 1 people found the following review helpful. Way to complicated. Can no one just make up ...By Stormy weatherWay to complicated. Can no one just make up a few page (2or3 ) pages. It's still legal if witnessed. An sell it for 5\$. They would make a killing put it in plastic term paper sheath. 50 cents1 of 1 people found the following review helpful. Impressive and valuable!By Ms. BookaholicThis is probably one of the most impressive and easiest guide when it comes to writing your own last will and testament. I was at ease creating my will in the knowledge that the content and all documents was written and prepared by attorneys. The instructions are well-written and easy-to-understand which includes various will and planning forms and other information essential for the creation and completion of your last will and testament.Even if you are having the Will drawn up by an attorney, this guide will explain everything you need to know before taking this action.1 of 1 people found the following review helpful. Nice

and EasyBy PettyBettyThis is an excellent resource for anyone wishing to create a will. A comprehensive overview of the process of making a will is included, as well as dos, donts and best practices. The tax section contains up-to-date 2014 information as well as numerous example scenarios to ensure you understand each situation well. Everything from UTMA and UGMA information is included. In terms of actually making the will, there are 9 sample wills contained on the book and also CD. The book also allows you to download your files if you ever lose your CD; this was a nice and clever touch. All in all, it takes about 30 minutes to create your will, a little longer if you wish to read and take in some of the excellent knowledge and experience the book has to offer.

Want to make a Last Will Testament without the expense of a lawyer? Now you can! If you die without making a last will testament, you are said to have died intestate. If you die intestate then you will have: no control over how your assets are distributed; no control over who cares for your children; no long term property management arrangements for your children; no control over who wraps up your affairs; and higher legal fees. Making a last will is the only way for you to take control over these matters and to properly provide for your loved ones. Enodare has taken its years of estate planning experience and created a simple book to guide you through the process of making a last will. It's called "Make Your Own Last Will Testament". Make Your Own Last Will Testament will provide you with all you need to make your own customized last will. You will learn about last wills, making gifts, executors, intestacy, probate, estate tax, and much more. We'll show you how to:- easily make a valid last will testament; amend or revoke an existing last will testament; make cash and specific item gifts; appoint executors to wind up your estate; appoint guardians to care for your children; provide for the management of property gifted to young beneficiaries; make funeral arrangements; and much more. With your book, you'll get a variety of fill-in-the-blank last will forms that have been prepared by experienced lawyers and customized for use in a variety of different circumstances; as well as detailed information, easy-to-follow instructions, helpful worksheets and all of the forms necessary to make your last will testament. Whether you're married or have children, you'll find everything in here that you need to make a customized last will. Simply follow the step-by-step instructions in this book, and you can have your last will and testament prepared easily in a matter of minutes!

About the AuthorEnodare is an international self-help legal publisher that was founded in 2000 by lawyers from one of the most prestigious international law firms in the World. Its aim was simple - to provide access to quality legal information and products at an affordable price. Enodare's will writing software was first published in that year and, following its adaptation to cater for the legal systems of numerous countries worldwide, quickly drew in excess of 40,000 visitors per month to its website. From this humble start, Enodare has quickly grown to become a leading international estate planning and asset protection self-help publisher with legal titles in the United States, Canada, the United Kingdom, Australia and Ireland. Enodare's publications provide customers with the confidence and knowledge to help them deal with everyday estate planning issues such as the preparation of a last will and testament, a living trust, a power of attorney, administering an estate and much more. By providing customers with much needed information and forms, Enodare enables them to place themselves in a position where they can protect both themselves and their families through the use of easy to read legal documents and forward planning techniques.
