**Enodare : Make Your Own Medical Financial Powers of Attorney** before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Your Own Medical Financial Powers of Attorney:

0 of 0 people found the following review helpful. It was very helpful we were able to make ...By Grandma'sIt was very helpful we were able to make the documents. They are notarized in the hands of our executors.0 of 1 people found the following review helpful. Do not buy this edition!By Mark and AprilI have no idea why this book is even being sold - it's printed in what appears to be an 8 point font and I have perfectly good vision and do not use reading glasses. I'm sure it's useful information, just a horrendous print setting job. I should just send it back but the shipping would be a

further waste of money. 1 of 1 people found the following review helpful. Good PoA Resource By Kort This is an excellent book for those who want to get their medical and financial affairs in order for whatever reason. The font is a bit small and compressed, but still legible, and the instructions are fairly clear, though perhaps not down to a "For Dummies" level. There are forms included in the book that you can scan, but they can be downloaded from the enodare website too (and unlock code is provided in the book). You will need the services of a Notary, but they don't charge lawyer rates. Enodare's line of self-help legal books are a great resource for those do-it-yourselfers who would rather not pay an arm and a leg for legal services for things they can do themselves. It may take a little time and concentrated reading to figure it all out, but in the end I think it's worth it. You may also be interested in their Legal Will Kit, Living Trust Kit and Estate Planning Essentials. ~ Kort

A power of attorney is a legal document that allows you appoint someone to make medical, financial and legal decisions on your behalf. Under a power of attorney, you can give your agent either general authority or limited authority. With general authority, your agent will be authorized to act as your authorized representative in relation to the whole cross-section of your legal and financial affairs. With limited authority, your agent is given authority in relation to the specific matters only - such as real estate, banking, or virtually any other matter. Both limited and general powers of attorney can also be classified as either 'ordinary' or 'durable'. Ordinary powers of attorney come to an automatic end if you become mentally incapacitated. Durable powers of attorney, on the other hand, do not come to an end when you become incapacitated (and often only commence when you become incapacitated) and should therefore form an integral part of your estate plan. It is also possible to make a healthcare power of attorney under which you can appoint someone to make medical decisions on your behalf if you are unable to do so. It also allows you direct what treatments and procedures you are willing or unwilling to accept. If you fail to make a durable power of attorney for finance and property your family may be legally helpless to manage your property and your assets. Also, by failing to make a healthcare power of attorney, you could end up receiving unwanted medical treatments. Enodare's lawyers have created a simple book to help you make a power of attorney for any occasion. It's called "Make Your Own Medical Financial Powers of Attorney". It provides you with step-by-step instructions, detailed information and all the forms necessary to ensure that your legal, financial and medical affairs can be managed during any period in which you are unable to do so yourself. This is a must have for anyone serious on having a complete estate plan.

About the Author ENODARE, the international self-help publisher, was founded in 2000 by a group which included lawyers, entrepreneurs, business professionals, authors and academics. Our aim was simple - to provide access to quality business and legal products and information at affordable prices. Our publications provide customers with the confidence and knowledge to help them deal with everyday issues such as setting up a company, running a business, preparing a tenancy agreement, making a last will and testament and much more. By providing customers with much needed information and forms, we enable them to protect both themselves, their families and their businesses through the use of easy to read documents and forward planning techniques.
