Managing Health Care Transactions provides an authoritative, insider's perspective on best practices for navigating the health care industry's heavily regulated landscape. Featuring partners and chairs from some of the nation's leading law firms, this book guides the reader through the general settings in which health care transaction counsel may find him or herself, suggests approaches for navigating them, and introduces selected developments that potentially will have far-reaching effects for future health care practice. These top lawyers give tips on managing the myriad transactions related to health care, including real estate, joint ventures, mergers and acquisitions, and Medicare/Medicaid matters. Finally/additionally, these leaders reveal their strategies for keeping abreast of change and finding creative solutions in a constantly evolving spectrum of legal issues and challenges. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this ever-changing field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success.
