**From Brand: Nova Science Publishers : Marketing Violent Entertainment to Children** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marketing Violent Entertainment to Children:

This book deals with the entertainment industries and their engagement in widespread marketing of violent movies, music, and electronic games to children that is inconsistent with the cautionary messages of their own parental advisories and that undermines parents' attempts to make informed decisions about their children's exposure to violent

content.
