**From Routledge : Marriage and Cohabitation: Regulating Intimacy, Affection and Care (The Family, Law and Society)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marriage and Cohabitation: Regulating Intimacy, Affection and Care (The Family, Law and Society):

The law has long been interested in marriage and conjugal cohabitation and in the range of public and private obligations that accrue from intimate living. This collection of classic articles explores that legal interest, while at the same time locating marriage and cohabitation within a range of intimate affiliations. It offers the perspectives of a number of international scholars on questions of how, if at all, our different ways of intimacy ought to be recognised and regulated by law.

About the Author Alison Diduck, Senior Lecturer, Faculty of Laws, University College London, UK.
