From Hart Publishing : Marriage Rites and Rights before purchasing it in order to gage whether or not it would be worth my time, and all praised Marriage Rites and Rights:

Recent years have seen extensive discussion about the continuing retreat from marriage, the increasing demand for the right to marry from previously excluded groups, and the need to protect those who do not wish to marry from being

forced to do so. At the same time, weddings are big business, couples are spending more than ever before on getting married, and marriage ceremonies are increasingly elaborate. It is therefore timely to reflect on the rites of marriage, as well as the right to marry (or not to marry), and the relationship between them. To this end, this new interdisciplinary collection brings together scholars from numerous fields, including law, sociology, anthropology, psychology, demography, theology, and art and design. Focusing on England and Wales, the book explores in depth the specific issues arising from this jurisdiction's Anglican heritage, demographic development, current laws, and social practices. [Subject: Socio-Legal Studies, Marriage Law, Family Law]
