Ralph Brashier : Mastering Elder Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Mastering Elder Law:

0 of 0 people found the following review helpful. GreatBy King KimoAn excellent resource on elder law.1 of 1 people found the following review helpful. My second copyBy TamaraSo I sold my first copy of this back to after I was done with Prof. Brashier's class. And then eighteen months and a law license later, I ended up buying it again because I needed the answer to a question that I *knew* was in this book. And it was.0 of 0 people found the following review

helpful. Five StarsBy Derry JohnsonMy expectations were met

Mastering Elder Law explains basic topics of concern in the burgeoning field of elder law. The book examines public benefits available to the elderly, retirement systems, age discrimination in employment, wealth transfers, medical decision making (including the "right to die"), guardianships and conservatorships, durable powers of attorney, long-term care insurance, housing for the elderly, nursing homes, and elder abuse. The book also explores overarching themes of elder law, such as the tension that results when the state is obligated to protect its vulnerable elderly citizens while simultaneously obligated to promote their autonomy to the maximum extent consistent with their abilities. The text is designed to facilitate the novice's understanding of complex topics such as Social Security, Medicare, and Medicaid. It discusses relevant statutes and cases, includes many examples, and provides practical observations about the laws that address the problems of the elderly.

"[T]he Mastering Series has successfully accomplished its goal of educating not only new law students, but any casual readers who are looking for a simple explanation to what can be intimidating legal terms and concepts. Mastering Elder Law is highly recommended for any law, business or public library." --Legal Information Alert (Volume 29 #4), Alert Publications, Inc. Chicago IL
About the Author
Ralph Brashier is a professor at the University of Memphis School of Law.
