**Andrew Ulmer, MULTILAW International Contributors : Media, Advertising, Entertainment Law Throughout the World, 2016 ed.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Media, Advertising, Entertainment Law Throughout the World, 2016 ed.:

Written by members of MULTILAW, one of the world's leading associations of independent law firms, Media, Advertising, and Entertainment Law Throughout the World provides a concise and current overview of media, advertising, entertainment, and art law in more than 30 countries. This resource provides a starting point for media and entertainment attorneys and business people in understanding the law of other countries. The text is organized by country for easy reference, contains uniformly organized chapters for ease of use, and has useful appendixes.
