Sandi Towers : Media and Entertainment Law before purchasing it in order to gauge whether or not it would be worth my time, and all praised Media and Entertainment Law:

Media and Entertainment Law has been purposely designed and written to keep the reader's interest with up-to-date legal issues. Throughout the book, media and entertainment law ethics issues are discussed. A full chapter devoted to ethics is added with suggestions presented on how to make better ethical choices, how to guide ethical considerations, and how to potentially correct ethical issues that are not in alignment with corporate or business guidelines. Chapters are arranged in a thoughtful and logical order, to take the student, practitioner, or interested reader from the beginnings of freedom of speech, press, and expression; and into cutting edge, current events that highlight areas such as copyrights, advertising, pornography, censorship of the media, cable and satellite television, digital and satellite radio, and the Internet.

Chapter 1: The Road Leading to the First Amendment Chapter 2: The Constitution and its Interpretation as to Prior

Restraints and Obscenity Chapter 3: Freedom of the Press Versus a Fair Trial Chapter 4: Defamation-Libel and Slander: What it is and how to defend against it. Chapter 5: Invasion of Privacy Chapter 6: The News, The Courts, and Contempt Chapter 7: Copyrights and Marks Chapter 8: Entertainment Law Chapter 9: Advertising and the Media Chapter 10: The Media and Cyberspace Chapter 11: Media and Entertainment Ethics Glossary Index
