Patrick L. Plaisance : Media Ethics: Key Principles for Responsible Practice (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Media Ethics: Key Principles for Responsible Practice (Volume 2):

1 of 1 people found the following review helpful. PASSED MY EXAMS.By Pri5This book helped me pass my Media Ethics class as the professor was on point when he said read the book and you will pass. The verbiage is pretty easy to understand with very relatable examples all throughout the book.0 of 0 people found the following review helpful. This professor is a joke, took his class at ...By CustomerThis professor is a joke, took his class at CSU and 8 people in my class alone submitted formal complaints about this man. This is not a college level book in my opinion.0 of 0 people found the following review helpful. Three StarsBy alysa richerCame in good condition

Media Ethics: Key Principles for Responsible Practice makes ethics accessible and applicable to media practice, and explains key ethical principles and their application in print and broadcast journalism, public relations, advertising, ma

"This book, more than any other media ethics textbook currently available, treats students as the intellectually curious, philosophically aware, and ethically motivated individuals that we hope them to be. As one brings one's own wisdom to the reading with the understanding that there is more to learn, this is one of those rare books that has the potential to keep on giving to professors and to students."--Deni Elliott (10/07/2013) "This book, more than any other media ethics textbook currently available, treats students as the intellectually curious, philosophically aware, and ethically motivated individuals that we hope them to be. As one brings ones own wisdom to the reading with the understanding that there is more to learn, this is one of those rare books that has the potential to keep on giving to professors and to students." (Deni Elliott 2013-10-07)About the AuthorPatrick Lee Plaisance (Ph.D. Syracuse University) is an associate professor in the Department of Journalism and Technical Communication at Colorado State University, where he teaches media ethics, reporting, and mass communication theory at the undergraduate and graduate levels. His primary research areas include media ethics, moral psychology, virtue ethics, journalistic values, and newsroom socialization. His work has focused on analyzing how ethics theory can be more effectively brought to bear on media practice, and he has conducted qualitative and quantitative social-science research on journalistic decision making. He worked for nearly 15 years as a journalist at newspapers around the country, including papers in Los Angeles, south Florida, New Jersey, and Virginia. He has contributed chapters and case studies to numerous journalism and media ethics books and has published more than a dozen peer-reviewed articles in journals including Journalism Mass Communication Quarterly, Communication Research, Journal of Mass Media Ethics, Communication Theory, and many others. He is also the author of the book *Virtue in Media: The Moral Psychology of Excellence in News PR*.
