Peter Carey, Jo Sanders : Media Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Media Law:

Media Law provides a succinct and lucid introduction to all areas of the law relating to print, broadcast and electronic

media. It is an ideal text for all those working with, or in, the media world particularly writers, journalists, editors, advertisers, broadcasters, publishers, and law undergraduates and students studying media studies and journalism. Written in a clear and accessible format, this well-referenced text offers a practical insight into key media issues.* Diagrams, flow charts, bulleted lists and tables clarify complex issues and aid ease of use* A detailed glossary and lists of websites and addresses point to wider study* Extracts from the European Convention for the Protection of Human Rights and the Press Complaints Code of Practice provide key materials for study* A new chapter on privacy law will discuss cases such as Naomi Campbell v Mirror Group Newspapers and Michael Douglas Catherine Zeta-Jones v Hello!

A sound and reflective treatment of legal issues surrounding the media. Carey's Media Law is clear and well-written. It certainly fulfils its aim of being accessible to law students and other non-lawyers in terms of both content and price. The Law Teacher.
