Marilyn S. McKnight, Stephen K. Erickson : Mediating Divorce: A Client's Workbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Mediating Divorce: A Client's Workbook:

0 of 0 people found the following review helpful. It's not what I was expecting so I wa disappointed but the workbook is probably very helpful if you ...By JessicaThis isn't what I thought it was. I thought it would give step by step directions on proceeding to have your divorce mediated by someone else and explain what the process was and how to go about doing it. It's not what I was expecting so I wa disappointed but the workbook is probably very helpful if you want it for the purpose it is intended for.0 of 0 people found the following review helpful. save money ftBy Jean HicksI believe this is a good way to go, it helps get you started if this is and enlightens you on the process

Mediating Divorce is the most readable text on mediation thus far. The book really is a philosophical guide to divorce mediation and clearly spells out the elements and processes of divorce mediation. The book should have been written

years ago and is destined to be a classic. Tan Ngoh Tiong, executive member, International Federation of Social Workers Client's Workbook, contains helpful assessment tools and checklists, these 'take-home assignments' are an integral part to the mediation process.

From the Back Cover
Mediating Divorce: A Client's Workbook is written for individuals who are divorcing and need a comprehensive resource and easy-to-understand guide for working through the divorce mediation process. Written by Marilyn S. McKnight and Stephen K. Erickson, two widely-known pioneers in the field of divorce mediation, this useful book will show you how to make the best choices while realistically addressing the many concrete and practical issues that must be confronted as you make the journey into your future. This unprecedented hands-on resource offers you the help you need to create your own settlement without painful adversarial conflicts and includes information about what you can expect during the mediation process: A process for handling the difficult emotional and psychological issues during divorce Strategies for establishing a parenting plan Specific steps for determining future living expenses Procedures for dividing property Guidelines for finalizing the Memorandum of Agreement
Mediating Divorce: A Client's Workbook is also filled with a wealth of helpful checklists, worksheets, budgets, homework assignments, and other useful forms.
About the Author
Marilyn S. McKnight, M.A. and Stephen K. Erickson, J.D. are founders, directors, and mediators with the Erickson Mediation Institute in Minneapolis, Minnesota. McKnight, a social worker, and Erickson, an attorney, have each served terms as president of the board of the Academy of Family Mediators. They have written numerous articles and books in the field including Practitioner's Guide to Mediation (Wiley, 2001).
