**Patricia W. Iyer, Barbara J. Levin : Medical Legal Aspects of Medical Records, Second Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Legal Aspects of Medical Records, Second Edition:

The newly revised Medical Legal Aspects of Medical Records, Second Edition, Volume I and Volume II is designed to give you a comprehensive overview of the medical records process. Volume I provides a comprehensive overview of the medical records process. In any health care situation, records are made, and each situation presents its own unique aspects and challenges. This book explores the many aspects of medical records that apply across all specialties. It is specially designed to complement Volume II. Volume II provides in-depth information on many

clinical specialties. This book informs you of the specific nature of clinical specialty records and most medical and hospital areas of specialty are covered, including chapters on dental, chiropractic, nursing home, pediatrics, medication, and home care. It is specially designed to complement Volume I.
