Michael D. McCafferty : Medical Malpractice: Bases of Liability/With Supplement (Medical malpractice series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Malpractice: Bases of Liability/With Supplement (Medical malpractice series):

From the PublisherPresents an excellent overview with regard to the various theories of liability in all medical malpractice actions. Discusses negligent and intentional torts, vicarious liability, the impact of instruments, drugs and blood on liability as well as medical ethics issues. Analyzes the import of state laws on a malpractice action from attorneys' fees, statute of limitations to damages and Good Samaritan regulations. Explains the standards for informed consent and outlines the criteria for determining death.
