Thomas A. Moore : Medical Malpractice: Discovery and Trial (2 Volume Set) (PLI Press's litigation Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Malpractice: Discovery and Trial (2 Volume Set) (PLI Press's litigation Library):

1 of 1 people found the following review helpful. Medical Malpractice By Lambros Y. Lambrou Great Book. It is a must have for any attorney that wants to litigate Medical Malpractice Cases in New York!!

One of the nation's leading medical malpractice attorneys provides you with the experienced guidance you need to prepare, try, and triumph in actions for medical malpractice. Part One alerts you to the scope of physician and hospital liability exposure, defenses available to them, and damages. Part Two helps you master the difficult art of developing

pleadings and investigating the medicine at the same time. Here, you'll get crucial advice on how to determine the relevant standard of care and establish the plaintiff's complete medical history. Part Three takes you step by step through the trial, with invaluable insight into everything from selecting juries to calculating judgments. Medical Malpractice features more than 200 pages of examples, checklists, and sample forms - tips on using medical records review services, medical illustrators, and consultants... legal and medical bibliographies... and references to useful health care continuing education courses.

About the Author Thomas A. Moore is a senior partner and trial lawyer in the New York City law firm of Kramer, Dillof, Livingston Moore. He is a member of the New York State Trial Lawyers Association and American Trial Lawyers Association.
