**Stephanie Danelson : Medical Malpractice Guide for Paralegals (Paralegal Law Library Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Malpractice Guide for Paralegals (Paralegal Law Library Series):

1 of 1 people found the following review helpful. very informativeBy ginathis book is one of the best information guides on medical malpractice that i have read in years. highly recommened!!

From the PublisherAn easy-to-understand valuable reference for efficient organization of a malpractice case. Runs the gamut from initial client interview through trial from the perspective of either plaintiff or defendant. Features special tips on drafting pleadings using complex medical terminology and concepts. An abundance of sample forms, documents and pleadings are included.
