Springhouse : Medical Terminology Made Incredibly Easy! (Incredibly Easy! Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Terminology Made Incredibly Easy! (Incredibly Easy! Series):

2 of 2 people found the following review helpful. Excellent text for beginning medical technology studentsBy TanyaI used this book as a classroom text for my medical technology students... it worked extremely well... the students liked the layout, explanations, the ease of understanding the material. I would highly recommend this textbook to anyone learning medical terminology independently, or within a vocational medical technology program.0 of 0 people found the following review helpful. water damaged... Didnt see that stated before ...By michelle w.water damaged...Didnt see that stated before i bought the book. Came with a note attached.1 of 1 people found the following review helpful. love itBy Moshie"Medical Terminology Made Incredibly Easy" is simply the best human anatomy book that you can buy. It covers all parts of the body, diseases, treatment for diseases, and history related to each part of the body. I bought

this after i finished my EMT course and it was great i now know what the Docs and Nurses are saying by Triage

This comprehensive guide covers key concepts of medical terminology, including commonly used prefixes, suffixes, and root words used in medical terms. Terms are divided by body system, and a handy miniguide identifies important anatomic terms in detailed, full-color illustrations. Contains award-winning Incredibly Easy! features such as abundant illustrations and charts, memory joggers, eye-catching icons, and crossword puzzles and word scrambles to test comprehension.
