Alice Gosfield : Medicare and Medicaid Fraud and Abuse, 2013 ed. (Health Law Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicare and Medicaid Fraud and Abuse, 2013 ed. (Health Law Series):

Medicare and Medicaid Fraud and Abuse provides an introduction to Medicare and Medicaid fraud and abuse, focused around industry sectors and enforcers. Offering real-life scenarios and implementation insights for application of complex regulatory provisions, this volume is a comprehensive, practical guide to Medicare and Medicaid fraud and abuse. The text: Explains investigations by Marc Raspanti and Kevin Raphael, recognized national white-collar defense lawyers; Reviews the Anti-Kickback Statute and safe harbor regulations as applied; Discusses the Stark statute and regulations in context with reimbursement rules; Provides an overview of administrative penalties and exclusions that are often overlooked and misunderstood and examines false claims criminal, civil, and Qui Tam actions including

their cases and theories
