Deirdre Madden : Medicine, Ethics and the Law in Ireland before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medicine, Ethics and the Law in Ireland:

0 of 0 people found the following review helpful. good book By raterI am (was..) taking a class taught by Professor Madden, and her insight into medical ethics is quite large. I decided to buy this book after finishing the course and find it quite an interesting read.

"Written by one of Ireland's leading medical law academics, this practical book comprehensively covers case law and regulations regarding the healthcare system, the law relating to human reproduction, and the key issues of consent and treatment. Designed to be used by lawyers and healthcare professionals, *Medicine, Ethics and the Law in Ireland* provides an invaluable reference tool for anybody who requires accurate information and guidance to this area of Irish law. "
