Robert J. Parelli : Medicolegal Issues for Diagnostic Imaging Professionals, Fourth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medicolegal Issues for Diagnostic Imaging Professionals, Fourth Edition:

0 of 0 people found the following review helpful. Three Stars By usgirlok book

Designed to enhance the work and study of radiographers and imaging specialists, this third edition provides critically relevant applications of the law from a radiographer's perspective. Written in a clear and highly understandable format, the book enlightens readers on medicolegal and ethical situations that they might encounter in their daily professional routine. Designed to provide meaning and interpretation for legal situations, the book includes case studies that give legal insight and implications. The book integrates tort law, labor law, and legal doctrines with ethics, patient rights, risk management, and forensic radiology.

...well written...I would recommend it as required reading.-Dana Brown-Klein, J.D., M.A., Professor, Health Science
