Secure your financial and online assets with MemoryBanc Your Workbook For Organizing Life. Today, more than \$58 billion is sitting with state and federal treasurers representing bank accounts, insurance, tax returns, and retirement accounts that were lost in the shuffle of a move, personal crisis, or death. Nearly half of adults over forty can expect to face a short-term disability before they reach sixty-five and 70 percent of Americans over sixty-five will need three

years of care and support. MemoryBanc makes it easy to document accounts, usernames, and medical history so they can be easily found or shared should they ever be needed by a spouse or loved one. It also helps couples that divide and conquer stay on the same page and gives individuals a way to easily hand over important information should it ever be needed. With the help of MemoryBanc, readers no longer have to store their information in their heads, on their phones, in a file, or under a keyboard they now have one place that captures it all. Find out how easily it is to secure your assets with MemoryBanc Your Workbook For Organizing Life.
