**Richard Jones : Mental Health Act Manual Supplement** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mental Health Act Manual Supplement:

This manual provides clear guidance on the provisions of the Mental Health Act 1993, the implications arising from it and subsequent changes in the legislation. It outlines all relevant Mental Health Review Tribunal Decisions and High Court decisions; and provides details of regulatory developments such as the Community Care Act 1990, the new

Code of Practice under s.118 of the Mental Health Act and of all essential circulars. This manual covers all developments since the last edition.

There is no way that an established mental health lawyer cannot have a copy of the Manual. Legal Executive Journal - of the previous edition.
