Basant Puri, Rob Brown, Heather McKee, Ian Treasaden : Mental Health Law: a practical guide (Hodder Arnold Publication) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mental Health Law: a practical guide (Hodder Arnold Publication):

Psychiatrists, Approved Social Workers and Mental Health Nurses require a clear understanding of mental health legislation and case law in addition to clinical knowledge for their practice. All this information, and more, is provided in Mental Health Law: a practical guide. Multi-disciplinary in approach, this book provides all you need to know about mental health law implementation in one easy-to-read, concise volume. As a comprehensive introduction, and a long-term resource manual, it will help guide you through the many complex issues you will face during training and

practice.
