I PASSED THE FEBRUARY 2014 EXAM BECAUSE OF THIS WONDERFUL STUDY AID!By Benjamin IslasThe Michigan Bar Exam Essay graders have turned the level of difficulty knob up a few ramps since July 2012. So, if you are not strong on essay writing for certain subjects (e.g., Secured Transactions, Domestic Relations, Criminal Procedure, No Fault Insurance, Workers Comp, Contracts, or let's say Evidence) then this wonderful study can help you resolve the essay study approach and teach you on how to write for those subjects you are weak in. It is my opinion that Barbri does not adequately prepare you for the essays with

their past MI essay booklet because their book is full of model answers that provide all the answers but not a structure to teach you how to allocate the time necessary to write a passing essay grade. This study aid contains past student exam essays (that have either received a 7/10, 8/10, 9/10, or a 10/10 on the MI Bar exam--which were obtained by failing exam takers but received in their process for appealing their exam essay grades). I went through the whole book and re typed the student answers and made my own model answers/flash cards and memorized their style of writing for the February 2014 Michigan Bar Essay Exam. I passed the MI exam essays sections to be able to receive a total raw score of $103 \times \frac{4}{3} = 137.3333 + 140$ (on the MBE) on the essay to = a final score of 138 = enough to pass the Michigan February 2014 Bar Exam. I had been a multiple bar exam retaker prior to passing and my weakness had been not knowing how to have an excellent style of writing for the Michigan Bar Exam Essay portion. This book helped me bridge those weak gaps. 0 of 0 people found the following review helpful. I wanted to see what a really low scoring essay was like. That being said, I do like being able to review student answers. The difference between the bar examiners' analysis and a 10 point answer is quite interesting, and it reassures me that I can pass this thing. My commercial bar prep program has mostly examiner analyses instead of sample answers, and it's hard to gauge the expectation from that. Several of the essays are used in my commercial program, and my law school has many of these essays available for free, but I like having the paper book to work from. \$53 seems high for old essays. 3 of 3 people found the following review helpful. A must have for the Michigan bar exam. This book was more valuable to me than the traditional bar review course. The bar review course is necessary for the outlines, but this book helped me understand how the questions are laid out and what sort of answers the law examiners are looking for. I went through every single question in this book and made my own outline of the most frequently-tested subjects. It really helped me focus my studying. I took the bar this week and the essays almost felt easy.

Often overlooked and under-emphasized in commercial bar review courses, the essay portion of the Michigan Bar can truly save examinees on the Michigan Bar Exam. While the bar examiners claim the essay score is worth the same as your MBE score, after the scaling and conversion of your scores, the essays are actually worth more than your MBE score. It is far easier to improve your essay score on the bar exam than your MBE score--and this book is designed to do just that! Michigan Bar Exam Essay Deconstruction gives you the extensive instruction and skill-building practice needed to write 15 strong essays in six-and-a-half hours.
