Pamela Lysaght, Cristina D. Lockwood : Michigan Legal Research (Carolina Academic Press Legal Research Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michigan Legal Research (Carolina Academic Press Legal Research Series):

Michigan Legal Research, Second Edition, focuses on the process of researching Michigan law and on how to research effectively and efficiently in the context of solving legal problems. In addition to a comprehensive discussion of the research process, Lysaght and Lockwood cover enacted law; judicial law; secondary sources; case-finding tools; and legal citation. In covering these sources, particular attention is devoted to integrating free online sources with print sources into an overall research strategy. To assist students and new practitioners with understanding research concepts and strategies in light of judicial constraints, the book includes references to, and discussions of, researching federal law. This book is part of the Legal Research Series, edited by Suzanne E. Rowe, Director of Legal Research and Writing, University of Oregon School of Law.

About the Author Pamela Lysaght was the inaugural director of UDM Law's Applied Legal Theory and Analysis program and recently served as Associate Dean for Academic Affairs. In addition to Michigan Legal Research, she is the co-author of a legal writing text and a contributor to the ABA Sourcebook on Legal Writing Programs. Cristina Lockwood is an Assistant Professor of Law and Chair of the Writing Program at University of Detroit Mercy School of Law.
