wonderful author!6 of 6 people found the following review helpful. Great resource for all lawyers!By Seattle JoggerLawyers are trained in the law, not trained in running a business. This book makes up for that gap and provides helpful, pragmatic advice that both new and seasoned lawyers can use. I really loved her advice on how to set a billing rate, develop a business plan and figure out where the money was going. Her worksheets and war stories were quite helpful. Kudos to the ABA for putting out such a helpful product!1 of 1 people found the following review helpful. Ann Guinn's Advice is PricelessBy Krista BushI am purchasing a replacement book for myself (as mine was surreptitiously adopted by a fellow fan), as well as several copies to share with fellow attorneys. Ann's book is an invaluable resource for attorneys lacking a foundation in the business aspects of running a law practice. I cannot recommend it highly enough.
