Perfectly organized mpre guideBy kristenI purchased this to study for the Mpre, I was told the comments were super helpful in finding hypos that the test examiners use. The price was good, not too much highlighting, and I like the bolded font made it easier reading for my eyes.2 of 2 people found the following review helpful. Great for the MPREBy Michael FigoneIs a must have if you plan on being an ethical lawyer. Just an aside, read the comments, they will help you when preparing for the MPRE.

The 2013 Edition of the Model Rules of Professional Conduct will provide you with an up-to-date resource for information on lawyer ethics. The Rules, with some variations, have been adopted in 50 jurisdictions. Federal, state, and local courts in all jurisdictions look to the Rules for guidance in resolving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions, and much more.In this volume, the black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions

for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, your colleagues, and the courts. Convenient tables provide cross-references to corollary provisions of the former ABA Model Code of Professional Responsibility. In addition, the new edition includes all the changes made to the Rules and Comments by the Commission on Ethics 20/20 in 2012 and 2013, the most recent ethics opinion issued by the ABA Standing Committee on Ethics and Professional Responsibility, and an appendix containing a list of amendments to the Rules by date and by Rule.
