Pat Hahn : Motorcyclist's Legal Handbook: How to Handle Legal Situations from the Mundane to the Insane before purchasing it in order to gage whether or not it would be worth my time, and all praised Motorcyclist's Legal

Handbook: How to Handle Legal Situations from the Mundane to the Insane:

Motorcyclists face legal challenges that non-motorcyclists don't even consider. Unfortunately, many motorcyclists are ignorant of those challenges as well until they find themselves in legal trouble. In addition to all the physical hazards of the road, motorcyclists must negotiate a seemingly endless array of legal hazards, from the myriad licensing requirements and restrictions that vary from state to state to the issue of anti-motorcycle bias among law enforcement officials. While motorcycle magazines frequently publish articles addressing various aspects of the legal issues with which a rider must contend, there has never been a one-stop source that contains all of this information until now. *Motorcyclists Legal Handbook* collects all the information a rider needs to know in one comprehensive volume.
