J. E. Penner : Mozley and Whiteley's Law Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Mozley and Whiteley's Law Dictionary:

This new edition has been brought fully up-to-date and is an essential point of reference particularly for those needing access to the changes in legal terminology resulting from the final report and implementation of Lord Woolf's reform of civil justice. Dr Penner has striven to ensure that the reader gains a full insight into legal terminology by including many of the important terms which have been displaced by the Civil Procedure Rules 1998 whilst introducing those that replace them.
