Conner If you look at the other posts to this and other books that are similar, you will notice that the authors are 'fake' users or the publishers themselves. Ask yourself why must a publisher use such tactics to sell their item? In fact, when you go through to see other reviews from many of these people, you will notice there are no other reviews or they are of spam-like books. Quite frankly, do not purchase this book. Look for another source of information than one that relies on horrible marketing tactics. I only wish this could have helped me in my recording endeavors. 2 of 2 people found the following review helpful. PROTECTING OUR INTELLECTUAL/PERFORMING RIGHTS By Grandpa Mark I HAVE USED "101 MUSIC BUSINESS CONTRACTS" TO SIGN MY DAUGHTER AMANDA SHELBY TO AN ALBUM PRODUCTION DEAL WITH A VERY SUCCESSFUL PRODUCTION TEAM IN SWEDEN, A BOOKING DEAL HERE IN THE SAN FRANCISCO BAY AREA AND A MANAGEMENT DEAL IN LOS ANGELES. I'VE SAVED THE COST OF THE BOOK IN LEGAL FEES ONE HUNDRED TIMES OVER. NO ONE CHALLENGED THE CONTRACTS IN ANY WAY. MOREOVER, IT'S MUCH FASTER TO PUT A DEAL TOGETHER WHEN YOU DON'T HAVE TO WAIT FOR AN ATTORNEY TO SCHEDULE YOU IN.

Are You Ready To Advance Your Music Career? Then Put It In Writing! Forget hiring an entertainment lawyer, use this set of industry standard, professional contracts and save big time. Sure our set may cost a little more than the others, BUT you get what you pay for QUALITY! This set of contracts comes in two easy to use and understand formats, in a preprinted binder and on CD-ROM (pc/mac compatible) - You receive both the binder and CD in this set, with both containing all 101 contracts. We supply you with the contracts in both a pre-printed binder, and on CD. The binder set comes preprinted, which allows you to take each contract out and use it as is, or make copies of it if you need to. The CD contracts program, which can be installed on all computers, including PCs and Macs allows you to open up the contracts on your computer in any text editor such as Microsoft Word, Note Pad, Word pad, or any other text editor, which comes installed on all computers. The great thing about installing the CD contracts program onto your computer is that it also allows you to edit any of the contracts, meaning that you can delete specifics that may not apply to your particular situation. With the contracts software program, you can even add things to each contract if needed and then print whichever contract(s) you need directly from your computer, whether it be one or fifty copies. For a list of all one hundred and one contracts that are included see below Think about it, even if you use just one of the contracts that are included in this set, you would still be saving money versus if you hired an entertainment lawyer to draw up that same contract at \$200.00 per hour, at say 2-3 hours worth of his time! Plus every single contract included in this set has been drawn up by a very knowledgeable, entertainment attorney and is guaranteed to hold up in court in all 50 states if ever needed.
