James Storey, Lois Yurow, Timothy Levin, W. McGuire : Mutual Fund Regulation and Compliance Handbook, 2012 ed. (Securities Law Handbook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mutual Fund Regulation and Compliance Handbook, 2012 ed. (Securities Law Handbook Series):

Mutual Fund Regulation and Compliance Handbook provides a concise summary of the steps for forming and operating a mutual fund. It also analyzes changes in the law governing mutual funds and explores the regulatory and administrative issues arising under the Investment Company Act of 1940. Organized in chronological order following

the life cycle of a mutual fund, this title includes: Checklists, samples of documents, forms, and references to additional sources of information; Explanations of the features of the SEC's EDGAR database of mutual fund and corporation filings and other SEC resources; Coverage of changes in the law governing mutual funds using easily understood language.
