**Martin C Brhel Jr. : National Law Enforcement Directory: Eastern USA** before purchasing it in order to gage whether or not it would be worth my time, and all praised National Law Enforcement Directory: Eastern USA:

This book contains a comprehensive list of municipal, county state law enforcement agencies found throughout the eastern USA, including agency leaders, and all relevant contact information. This tome is the companion to National Law Enforcement Directory: Western USA, which contains comparable information for that geographical part of the USA.

About the AuthorMary Gonzales Brhel is a longtime, former educator, who served many years as Field Representative for the California State Assembly. Her legislative forte, among other topics, includes conducting identity theft

seminars for constituents. Marty is a retired prosecutor who was also a criminal defense attorney, and a Staff Counsel, in charge of the DMV Los Angeles legal office. His post-DA-retirement civil rights practice, kept him busy in both state and federal courts. Also a Judge Pro Tem in two contiguous counties, beginning several decades ago, he commenced a two-year term in January 2015, on the City of Laguna Niguels Traffic Transportation Commission.
