Alan Rau, Edward Sherman, Scott Peppet : Negotiation (Coursebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Negotiation (Coursebook):

1 of 4 people found the following review helpful. read this book only if you have to By Tenacious D This book takes a very practical, interesting and useful topic and makes it boring and dry.

This text contains chapter 2 of the treatise Processes of Dispute Resolution, Fourth Edition. It provides analytic structure to assist the reader in understanding negotiation, as well as readings to provoke thinking and discussion about

bargaining in legal disputes.
