Very helpfulBy NicolaWith the neighbor I have it helped me know my rights involving fencing. I laughed at the pages on Spite fences. How many times can you tell a person please do not throw food over my fence to for my dog. I never heard of such a

thing. I don't want to be rude but the book says I can file a complaint and if it doesn't stop I will. At least now I know where to go and how to go about it. I live in NYC and I think if I went into a police station to report this they would put me on a 72 hour psych hold but now I know the correct place to go to lodge a complaint. LMAO.
