**New York Law Journal : New York Family Law 2015** before purchasing it in order to gage whether or not it would be worth my time, and all praised New York Family Law 2015:

New York Family Law includes the full text of the Domestic Relations Law, the Social Services Law, the Family Court Act, and the Uniform Family Court Rules, annotated with digests of cases from the New York Law Journal. The

book also contains relevant family law practice articles. 1500 pages. Annual edition.
