"My overall reaction to this book is very favorable. I think it is an excellent text. It is comprehensive in subject matter. It is also very readable. Throughout it makes some difficult subject matters understandable to the reader. I think the writing style is perfect. I think it is a very good review of complex subject matter. I would continue to request to use this book and prefer this book to other texts of a similar nature." "I believe it is a great product. My overall reaction to this book is favorable, because there is virtually nothing out on the market that is NYS specific for the paralegal." About the Author Sara P.
