Elizabeth G. Adelman, Theodora Belniak, Courtney L. Selby, Brian T. Detweiler : New York Legal Research, Third Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised New York Legal Research, Third Edition:

New York Legal Research provides an alternative to the excellent, but often lengthy, legal research books that take a bibliographic approach to this dynamic lawyering skill. The goal of the third edition is to explore concisely both the

sources of New York state law and the process of conducting research using those sources. New to the third edition is a greater emphasis on online sources and performing online research. The book begins with an overview of the legal research process and an introduction to research techniques using online media. Then the book turns to secondary sources, recognizing these sources as the entry point for most new research projects. Next, *New York Legal Research* addresses primary authority, with chapters dedicated to case law, enacted law (statutes, constitutions, local law, and court rules), and administrative law. Additional chapters cover legislative history, free and commercial updating tools, legal ethics research, New York City law, and research strategies and organization. An appendix explains legal citation by New York courts following the *New York Law Reports Style Manual*. Most chapters contain outlines with step-by-step guidance for research in various types of legal resources. The book also includes short excerpts and screen shots from important sources. Discussions of legal analysis are brief but are included as necessary to show the crucial connection between research and analysis. While the concentration of *New York Legal Research* is state research, concise descriptions of federal resources are included throughout. This book is part of the *Legal Research Series*, edited by Suzanne E. Rowe, Director of Legal Research and Writing, University of Oregon School of Law.

About the Author Elizabeth Adelman is Director of the Law Library and Vice Dean for Legal Information Services of the University at Buffalo Law School Law Library. Theo Belniak is Head of Collection Management at the University at Buffalo Law School Law Library. Courtney Selby is Associate Dean for Information Services, Director of the Law Library, and Associate Professor of Law at Hofstra University School of Law. Brian Detweiler is the Student Services Librarian at the Charles B. Sears Law Library, University at Buffalo, and as the Secretary of the Association of Law Librarians of Upstate New York.
