Michael E. Tigar : Nine Principles of Litigation and Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Nine Principles of Litigation and Life:

11 of 12 people found the following review helpful. A Must for the Litigator's LibraryBy John MercunGreat book by an accomplished litigator. I have had 35 years of litigation experience and learned alot about applying lessons in life to the court room. This book added to my knowledge and presented some unique insights. Definitely a must for all trial lawyers, both new and old.0 of 2 people found the following review helpful. Four StarsBy CustomerA welcome insight from an experienced trial lawyer.

Tigar draws compelling parallels between being a successful trial lawyer and living a purposeful life. The title examines the nine principles in detail: Courage; Rapport; Skepticism; Observation; Preparation; Structure; Candor;

Empowerment; and Presentation. Unique and introspective, Tigar looks at legal history and his own experiences to craft a message for all trial lawyers about the importance of their work and the principles that shape their lives.

About the Author Michael E. Tigar is Professor of the Practice of Law at Duke University School of Law, and Professor Emeritus of Law at Washington College of Law, American University, Washington, D.C. He has held full-time positions at UCLA and The University of Texas. Regarding Mr. Tigar's career, Justice William J. Brennan has written that his "tireless striving for justice stretches his arms towards perfection."
