Anthony Mancuso : Nolo's Quick LLC: All You Need to Know About Limited Liability Companies (Legal Basic Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nolo's Quick LLC: All You Need to Know About Limited Liability Companies (Legal Basic Series):

8 of 8 people found the following review helpful. Useful and Easy to UnderstandBy Carsten CumbrowskiI am currently in the process of creating my own LLC at the time writing this review. The book is very helpful to understand the process and the things I will have to worry about from a legal and also tax perspective. I hired a lawyer for the company creation before I bought the book and have now the feeling that I could be doing it without paying a lawyer. However, the book made me realize that there is a lot of paperwork involved in the process and the lawyer will do all that work for me, which saves me a lot of time.I am currently very busy preparing everything for the daily business operation to come so I do not regret my decision of using a lawyer. If time is not too much of a problem, but

saving the cost for a good corporate lawyer is, this book will be able to help you to get the process done by yourself. For people like me, who use a lawyer is the book still helpful, because there are a lot of things to consider and know about, after your LLC was created. It will serve me well in the years to come. I am sure about that. 1 of 1 people found the following review helpful. State Specific By Caprice L. Williams If you look at the thickness of this book you would think that it contains a lot of details about forming a LLC. However, about 1/3 of the book gives information on forming a LLC for each of the 50 states. This book would be better if it would give specific information for a particular state such as Nolo's Quick LLC for the State of Texas. On the brighter side, this book gives a wealth of knowledge and good examples on forming a LLC. If you are looking for an overview of forming and LLC this book would suffice. However, if you are looking for in depth knowledge, this book is not the one that I would recommend. 11 of 11 people found the following review helpful. Too basic and repetitive By Alberto Vargas I had high hopes for this book but it did not meet my expectations. The book does a decent job explaining the difference between an LLC and other entities like C corp, S corp, general partnerships, etc. However, it does not get to the point about (1) steps needed to file an LLC and the common paradigm of filing in Nevada / Delaware and then registering in your home state, (2) choosing where to file for LLC, or (3) ongoing legal and financial care and feeding of the LLC so you do not "pierce the corporate veil." Basically, the book is very light on specifics and does not justify its price. I am returning it, hoping to find a more thorough guide.

Written by America's leading LLC expert! If you run your own business, you've probably heard about limited liability companies. Business owners who operate LLCs aren't personally liable for business debts. But is an LLC right for you? Nolo's Quick LLC provides essential information for business owners in every state. It explains, in plain English, the advantages and drawbacks of forming an LLC -- including limiting your personal liability. Nolo's Quick LLC covers who should -- and shouldn't -- form an LLC, how to operate an LLC easily, choosing between a member-run or a manager-run LLC, LLCs compared to corporations, partnerships and sole proprietorships, how to keep your tax status simple at the start, how to elect corporate tax treatment when (and if) you're ready and the ongoing legal and tax paperwork that's required. Practical, concise and easy to read, the 4th edition of Nolo's Quick LLC provides the latest facts, figures and tax information you need to know about this valuable business option.

"Nolo has been publishing excellent self-help legal manuals since 1971." -- Kiplinger's Personal Finance Magazine
"Nolo publications... guide people simply through the how, when, where and why of the law." -- The Washington Post
"When it comes to self-help legal stuff, nobody does a better job than Nolo." -- USA Today From the Publisher
Small business owners alert! Form an LLC and protect your personal assets
About the Author Anthony Mancuso is a corporations and limited liability company expert. He graduated from Hastings College of Law in San Francisco, is a member of the California State Bar, writes books and software in the fields of corporate and LLC law, and studies advanced business taxation at Golden Gate University in San Francisco. He has also been a consultant for Silicon Valley EDA (Electronic Design Automation) companies, most recently working on a C++ open-source integrated circuit database project team. He is the author of several Nolo books on forming and operating corporations (both profit and nonprofit) and limited liability companies. His titles include Incorporate Your Business, How to Form a Nonprofit Corporation (national and California editions), Form Your Own Limited Liability Company, The Corporate Records Handbook, and LLC or Corporation?. He wrote and programmed Nolo's LLC Maker and Incorporator Pro software programs, which generate state-by-state articles and other forms for organizing corporations and LLCs. His books and software have shown over a quarter of a million businesses and organizations how to form a corporation or LLC. He also is a licensed helicopter pilot and has performed for years as a guitarist in many musical idioms.
