**Norman J. Finkel : Not Fair!: The Typology of Commonsense Unfairness (Law and Public Policy: Psychology and the Social Sciences)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Not Fair!: The Typology of Commonsense Unfairness (Law and Public Policy: Psychology and the Social Sciences):

"Not Fair! discusses unfairness in a broad historical, religious, legal, and psychological context and shows how age, gender, and culture are likely to play a part in how we decide what is "fair" or "unfair."
