0 of 0 people found the following review helpful. More questions than answers By Gerry 73 Raises some interesting questions, but leaves it to the reader to figure out the answers. Does not touch on some of the nitty-gritty details notaries have to deal with. 1 of 1 people found the following review helpful. Must have for the serious notary. By Dave Marciniszy I was impressed by the breath and depth of this book as well as by the practical examples. I picked up the book used on but would have gladly paid full price. I keep it in my bag since it serves as a great reference. 0 of 0 people found the following review helpful.
