**Ruben J. Krisztal : Nursing Home Litigation: Pretrial Practice and Trials, Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nursing Home Litigation: Pretrial Practice and Trials, Second Edition:

1 of 1 people found the following review helpful. Shoddy Kindle editions not acceptable in a legal work By Dan F The Kindle edition appears to have been produced by some kind of auto-conversion and is wrecked by a lot of fragmented

XML. Take a look at the preview yourself. Obviously it wasn't proofread at all, which undermines confidence in the author generally. Legal references require a higher level of professionalism if they are to be taken seriously.

The litigation of neglect and abuse of the elderly in assisted living and nursing home facilities is unlike any other personal injury litigation. The second edition of *Nursing Home Litigation: Pretrial Practice and Trials* has been significantly expanded and will provide you with a detailed step-by-step look at how nursing home cases should be handled. The book's chapters are organized in a way that will help you with your case from pretrial to trial. The first chapter will give you tips and techniques for writing the demand letter. The following chapters provide insight for both the plaintiff's attorney and defense attorney on topics such as interviewing older witnesses, preparing staff for deposition, demonstrative evidence, voir dire, opening and closing arguments. Also included is a FREE CD-ROM of actual depositions of nurses, administrators, directors of nursing and upper management in nursing homes.

It is a "must-have" for attorneys new to nursing home litigation or litigation involving other adult assisted living facilities. -- Jesus G.Q. Garza, U.W. 1996, Attorney, State Bar of Wisconsin  
From the Publisher  
This book is the companion volume to *Nursing Home Litigation: Investigation and Case Preparation*. The editor and contributing author of this book, Ruben Krisztal, is an attorney with more than 16 years of experience in litigating nursing home cases. Equally telling, however, is the range and depth of experience of the other 16 contributing authors--not all of whom are lawyers. It is this collection of experience that gives this book its strength. Written for the practicing attorney, this book taps into the vast pool of know-how from nationally known coauthors who are well-versed and well-tested in the finer points of litigating a nursing home case.  
About the Author  
Ruben J. Krisztal, Esq., is the author of the chapter "Investigation and Pretrial Considerations" in *Nursing Home Litigation: Investigation and Case Preparation*, edited by Patricia Iyer. Mr. Krisztal came to the United States from Argentina in 1967. He has been practicing law for over twenty years and has been litigating nursing home cases for more than fifteen years. He received his B.A. and J.D. from the University of Missouri at Kansas City. He is board certified in civil trial advocacy from the National Board of Trial Advocacy. He has been a guest speaker at numerous regional and national conferences, educating attorneys and the public. He has authored numerous articles regarding this subject. Mr. Krisztal is a member of Kansas City Metropolitan, Johnson County, Wyandotte County, Leavenworth County and Kansas Bar Associations; Kansas Trial Lawyers Association (board of governors; Kansas state delegate for ATLA); eagle member of KTLA Executive Committee. He is also a sustaining member of the Association of Trial Lawyers of America and is active in the Nursing Home Litigation Group. Mr. Krisztal is a fellow of the Kansas Bar Association and a member of MATA. His practice is nationwide.
