Thomas R Lynch : ObamaCare Taxes for Businesses: What You Need to Know! before purchasing it in order to gage whether or not it would be worth my time, and all praised ObamaCare Taxes for Businesses: What You Need to Know!:

0 of 0 people found the following review helpful. Another Great ReadBy John K CalabreseThis is great information for my business. I did not realize how the 50 employee threshold was calculated or how steep the penalties can be for non compliance. Lots of great examples backed up with information sources. Very solid read. If you are a business owner this is a must read to determine the potentially negative impact of ObamaCare and your company.0 of 0 people

found the following review helpful. Learn Quickly How Health Care Reform Will Impact Your Business By Happy Product User While looking for answers on how Health Care Reform will impact my business I found this book "ObamaCare Taxes for Businesses - What You Need to Know!" The book is a very informative. It's straightforward and easy to understand how your business will be impacted by Healthcare reform. This is a must read for all business owners, small and large.

Taxes, Fees Penalties in the Affordable Care Act A Guide to the 14 taxes, fees penalties affecting businesses employers Who Should Read This Book? Anyone looking for a fairly comprehensive guide for each tax-related item of ObamaCare affecting businesses and employers: Small business owners Accountants Corporate executives Business consultants Healthcare experts Benefits of Reading This Book This book provides the reader with an understanding of how an Affordable Care Act tax issue may affect businesses and employers. It explains who may suffer financially, specifies the related calculations, and gives examples. You will learn the dates a tax, penalty or fee will go into effect or has gone into effect. You can follow the book's sources of information to the text of legislation, related IRS rules and regulations, and other published government information. If you need professional assistance, you can use this book as a guide for discussions with your tax adviser. Learn about 14 items in ObamaCare affecting many employers Some items apply to almost all businesses. Some apply to specific industries. And some items apply only to the health industry. The cost of most of the items will be passed on to consumers in one form or another. Of particular interest is the controversial Employer Mandate Tax, which officially is known as the Employer Shared Responsibility Payment. Of the many new requirements imposed by the Affordable Care Act on employers, none may be more important or costly than the employer shared responsibility payment statute. Find out how the following items may affect a business: Application of the Economic Substance Doctrine Excise tax on Cadillac Health Insurance Plans Annual fee on Health Insurance Providers National Per Capita Reinsurance Contribution Patient-Centered Outcomes Research Institute Fee Elimination of the Retiree Drug Subsidy Medical Device Excise Tax on manufacturers and importers Bonus Material - 2 Items Not Generating Revenue for the Government Small business health care tax credit - find out if you qualify for this much-publicized tax credit. Reporting employer provided health coverage in Form W-2 - learn about the new requirement to report health coverage to employees and the IRS.
