Thomas R Lynch : ObamaCare Taxes for Individuals: What You Need to Know! before purchasing it in order to gage whether or not it would be worth my time, and all praised ObamaCare Taxes for Individuals: What You Need to Know!:

1 of 1 people found the following review helpful. Straight forward with great examplesBy John K CalabreseThis book is straight foreword in terms of simplifying Obamacare with explanations and examples of potential heavy tax burden on individuals. Just plug in your own numbers based upon authors examples to understand all the extra taxes you may owe. For those who think that the only tax is a penalty for not carrying insurance I have bad news - taxes on

investment income, Medicare (I'm talking here about addition taxes your employer is not required to withhold), health savings accounts, personal income etc...are all part of the increase tax revenue to be collected by the oh so trusted IRS. 0 of 0 people found the following review helpful. What I needed - Short and Understandable for the regular person! By Chuckster Obama Care Taxes for Individuals by Thomas Lynch is 50 pages of straightforward and practical information to assist in the navigation of Obamacare! Every individual and family needs a copy for reference and guidance. This book will tell you exactly what to expect, what's changing, and how much it will cost you and your family. "And he did it in 50 pages!" 0 of 0 people found the following review helpful. simple to understand By Francisco Diaz If you want something quick and simple, this is the right book, it has the right content to understand Obamacare for individuals

Taxes, Fees Penalties in the Affordable Care Act A Guide to the 10 taxes, fees, penalties affecting Individuals Who Should Read This Book? Anyone looking for a fairly comprehensive guide for each tax-related item of ObamaCare affecting individuals. Benefits of Reading This Book This book provides the reader with an understanding of how an Affordable Care Act tax issue may affect an individual. It explains who may suffer financially, specifies the related calculations, and gives examples. You will learn the dates a tax, penalty or fee will go into effect or has gone into effect. You can follow the book's sources of information to the text of legislation, related IRS rules and regulations, and other published government information. If you need professional assistance, you can use this book as a guide for discussions with your tax adviser. Learn about 10 items that will apply to many individual taxpayers: Additional Medicare Tax for people with high incomes. 4 items negatively affecting individuals participating in Health Flexible Spending Arrangements. One item has been referred to as the Special Needs Kids Tax. The controversial Individual Mandate Tax, which also is known as the Individual Shared Responsibility Payment. Reduction in the amount of medical expenses that can be deducted in your tax return. A new 3.8% tax on Net Investment Income for people with high incomes. Application of the Economic Substance Doctrine Elimination of the Retiree Drug Subsidy
