Horav Label Katz : Ohel Aryeh; Marriage Laws Wedding Customs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ohel Aryeh; Marriage Laws Wedding Customs:

Ohel Aryeh is one of the best known seforim on the all-important halachos of Taharas Hamishpachah! Previously the

exclusive domain of Hebrew readers, it has now been rendered into clear, flowing English for the benefit of all. Includes laws and customs of the wedding, sheva berachos, even a section on shana rishonah and chinuch habanim! See for yourself why more than a generation of married couples uses Ohel Aryeh as the essential guide to family Halachah. It's a sefer you'll refer to again and again!
