Patricia Yeomans Salvador, Paul Giannelli : Ohio Juvenile Law, 2013 ed. (Baldwin's Ohio Handbook Series)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Ohio Juvenile Law, 2013 ed. (Baldwin's Ohio Handbook Series):

Ohio Juvenile Law is a straightforward treatise containing selected provisions of the state revised code and rules of procedure and covering all major aspects of juvenile law, including: Abuse and neglect; Dependency; Delinquency and unruliness and Traffic offenses. Sized for portability, this title guides you through all steps in the court process and presents expert analysis of recent statutory and rule amendments, and new case law. Rules of evidence, a table of cases, a table of laws and rules, and glossary index are included.
