CustomerEXCELLENT

The second edition of Aquinas, *On Law, Morality, and Politics* retains the selection of texts presented in the first edition but offers them in new translations by Richard J. Regan--including that of his *Aquinas, Treatise on Law* (Hackett, 2000). A revised Introduction and glossary, an updated select bibliography, and the inclusion of summarizing headnotes for each of the units--Conscience, Law, Justice, Property, War and Killing, Obedience and Rebellion, and Practical Wisdom and Statecraft further enhance its usefulness.

Perfect for presenting the core of St. Thomas' teachings on law, morality, and politics.--Charles E. Butterworth,
