Steven Nathan Peskind : One Hundred Days Before Trial: A Family Lawyer's Guide to Preparation and Strategy before purchasing it in order to gage whether or not it would be worth my time, and all praised One Hundred Days Before Trial: A Family Lawyer's Guide to Preparation and Strategy:

1 of 1 people found the following review helpful. MUST-HAVE!!!By Farris H.If you've ever found yourself on the eve of trial panicking because you missed a step in preparation (for instance, getting a business records affidavit), the

checklists in this book are absolutely must-have. And in my opinion, the applicability of this system reaches far beyond domestic relations law. Excellent!

The author offers an alternative to the mad-dash scramble model of trial preparation, with a simple message: start early with the end in mind, develop a plan, and maintain self-discipline to work the plan on a regular basis. The book is broken into segments based upon arbitrary time periods. The reader need not precisely follow the schedules suggested; they are simply guidelines to consider. Each case is different and one must prepare according to each case's dynamics. What is essential and common to all cases, however, is the necessity of thinking first, acting second and being mindful both of the big picture and the fine details.

About the Author Steven Peskind is the principle of the Peskind Law Firm based in St. Charles, Illinois. He graduated from Tulane University and DePaul College of Law. He is a fellow of the American Academy of Matrimonial Lawyers and is an elected member of the American Law Institute and the American Bar Foundation. Mr. Peskind is a faculty member of the Family Law Trial Advocacy Institute. He has been inducted into Scribes, a legal writing honor society and is the author of the Family Law Evidence Handbook published by the American Bar Association Section of Family Law.
