**Joshua A Sutterfield : Online Marketing for Lawyers: Website, Blog, Social Media** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Online Marketing for Lawyers: Website, Blog, Social Media:

1 of 1 people found the following review helpful. Not a Serious Resource on the Subject By ewl Extremely simplistic and repetitive. It's also overpriced as a small paperback of less than 100 pages. There are many other better places to obtain this information. 1 of 1 people found the following review helpful. Not as expected. By kurt Everything in this

book is on the internet if you search for law office marketing. I guess if you do not have the internet then it is worth the read. 0 of 0 people found the following review helpful. You can get started immediately and that is what we needed and why we liked the book. By Kathy Parker Practical sense steps to achieve an on-line presence. You don't have to be a tech savvy person. You can get started immediately and that is what we needed and why we liked the book.

Online Marketing for Lawyers: Website, Blog, Social Media is a must have book for any lawyer who wants to successfully market their law firm in the 21st Century. By focusing on the three pillars of online marketing success, this book will show: How to build a legal website with detailed instructions on developing a website, website layout, and how to write search engine optimized (SEO) content in order to dominate your local market. How to create a legal blog with detailed instructions on developing and managing a blog, writing engaging content, ethics, and SEO. Also, learn how you can develop blog content in one weekend and continue to drive traffic to your blog all yearlong. How to use social media networks to attract followers. Learn how you can use Facebook, Twitter, Google Plus, and LinkedIn to gain greater web visibility and grow your online influence. Included: 30-day Online Marketing For Lawyers Action Guide to accelerate your law firms online marketing presence. If you are serious about marketing your law firm online, then you need this book.
