**From University of Toronto Press, Scholarly Publishing Division : Ontario Legal Directory 2015** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ontario Legal Directory 2015:

Published Annually since 1925With over 30,000 listings of lawyers, law firms, federal and provincial courts, and

government offices, each complete with names, addresses, telephone and fax numbers, email and web addresses, the Ontario Legal Directory places all the information you need right at your fingertips. The Blue Pages put government and courts information right up front, organized in easy-to-find categories with thumb-tab indexing. The CD-ROM version incorporates all the features of the book and includes, as well, an easy-to-use interface for quick access to listings.
